AMENDMENT OF MAY 14, 2004

Sir,

In response to the Office letter mailed 4/23/2004, please amend the above-identified application as follows:

**Amendment to the Specification:**

In the "DESCRIPTION OF THE DRAWINGS" section, following the sentence: "Figure 3 shows the opposite end of a coil with a rectilinear core." Please add the sentence:

"Figure 4 shows a rectilinear core with an enlarged head."

**Remarks:**

Applicant inadvertently failed to include the above sentence in the specification and welcomes this opportunity to make the correction so that the drawings and specification are consistent. Applicant believes that the added sentence is fully supported by the detailed description of this Figure in the original specification filed on 12/03/01.

Respectfully,

Todd M. Evans, Applicant
